A defibrillator in Bleasdale????

Following the first aid course in 2016 and training on the use of a defibrillator we think it would be an excellent idea to have one in Bleasdale.

It could save a life.

Firstly...

We would need to do some fund raising and are looking for some bright ideas to raise the money.

If you have an idea don't keep it to yourself share it with us and then we can get into action.

Help to keep the people of Bleasdale and the surrounding area safer
